SUMTECH

Our company garments facility is all about you, your garments, the way you want them to look and of what they are made.

You can choose pretty much everything, from the fabrics, the colours, the design and what labels go in them.

STEP ONE

Tell us what you want! This can be over the telephone, or emailed drawing or even a verbal description.

STEP TWO

We will provide design, turning your thoughts into the reality of how the garment will look and work. or we can also provide you some of the sample designs

STEP THREE

once you're happy with the design, we will confirm the finer details.:

- a) Fabric: weight, composition, feel and performance, which could be determined by the end use of the garment and the budget, and
- b) Labelling: available options include neck labels, neck tape, side tabs, embroidery, printing.

STEP FOUR

Following your approval of all designs we will proceed to pre-production samples in available fabric to demonstrate the look, feel and appearance of the end product. Samples will also be provided of all labels and extras such as embroidery or printing.

STEP FIVE

Production samples are sent for final approval. Once the sample is approved, We will proceed to production,
